PUBLIC INFRASTRUCTURE PERMIT

Public Infrastructure Permit Checklist and Information

Submit the following:

- 1. A complete permit application signed by the contractor.**
- 2. 3 full size sets of construction plans signed and sealed by a professional engineer.**
- 3. 3 copies of the storm water pollution prevention plan (SWPPP)**
- 4. 1 copy of an itemized estimated cost of construction signed and sealed by a professional engineer formatted to 8 ½" by 11".**
- 5. 1 digital copy of all documents submitted in .pdf format on a USB drive or emailed to Mountaincitytx@gmail.com. Files too large to email may also be submitted via file sharing programs (such as dropbox).**
- 6. Any additional information required by this application, City Staff, City Council, City codes & ordinances and State statutes, needed to evaluate this request**

Incomplete application and submittals will be rejected; an application may be deemed incomplete after an initial staff review.

All public infrastructure permits are required to be in compliance with all City of Mountain City regulations and ordinances.

Once construction plans have been approved, a pre-construction meeting will need to be scheduled before the permit will be issued.
